1. What community goal or issue is important to you—what are you working on?

2. What do you see as your role in achieving this goal or addressing this issue?

3. What do you need to know to be successful in engaging and mobilizing the community to achieve this goal or address this issue?

4. How will you know if your work has been successful? How will you measure progress toward and what are indicators of success with your goal/issue?

5. Would you like to see an overall vision for your community and are interested in and willing to see your issue as part of that vision? Why or why not?
